

THE REAL GURNAYS

"LE FAVORI," France 54N176906. A fine example of Gurnay's Angouleme family, imported by me from Andre Bertheaux, president of the Ardennes Federation and successful long-distance racer.

There are few Gurnay lofts that do not contain Hart's Gurnay blood.

Many of the best present-day winning lofts were founded on it. As a cross my birds have been used successfully by fanciers with world-wide reputations.

Steeped in the blood of present-day British and Continental champions, they are the finest and most authentic Gurnays living.

SQUEAKERS AT £3.

Stamp for list.

ROAD SIDE LOFTS

For over 30 years, these lofts have been winning good positions, both in Club and Federation racing.

These lofts are founded on some really good hard racing stock, such as Micky, Dark Gurnay Cock, NURP49DP1506.

MICKY

Raced 1950 to Chichester (203 miles); 1951 to Chichester (203 miles); 1952 to Pont l'Eveque (nearly 400 miles).

He was the only bird timed in Club and Fed. Since stock and has been rewarding us.

Bronze Pied Hen, NURP51T1291. Pure Gurnay. Winner of nine 1st prizes and also many 2nds and 3rds, with velocities ranging from 880 to 1800 yards per minute. She is a very good hen, dam of many winners including Black Pied Cock, 73, himself a winner of six 1st prizes.

Mealy Cock, NURP49AC5424. Pure Cheetham stock. Bred Club and Fed. winners up to 500 miles.

Pure Cheetham Hen, NURP48AC5430. Bred for stock. Daughter of Mr. Cheetham's Mirande Cock, 20.
